

## Compensation One Day Membership

This is to recognize that \_\_\_\_\_ (PILOT NAME)

paid for a one day membership on \_\_\_\_\_ (DATE) but did not fly.

Soboba Soaring wants to see pilots take flight, so it issues this pass for the same pilot to return **within 6 months** and surrender this document in exchange for a one day membership. Notes:

- Rides to/from launch are not included and must be purchased separately, if desired.
- Not transferrable to another pilot.
- Waiver will need to be re-signed.

Approval by a board member, land owner, site security or rides person:

Looking forward to your triumphant return,  
Soboba Soaring
